

Welcome:

We are pleased that you are considering the family medicine residency program at **Washington Health System**. We believe that we have a complete learning and practice experience to offer you as you complete your education to become a family physician.

The quality of our residents, and their success after completing our program, is noteworthy. You will have an opportunity to hear about this first hand, since many of the program's graduates have made Washington their home and are on staff at our hospital.

The Board of Trustees and Administration strive to provide our Medical Staff and employees with the latest advancements in technology to enable best practices in quality patient care. As an advanced Hospital based in a community, our patients are our families, neighbors and friends. We promote the family environment in all aspects and would invite you to become a part of our award-winning team.

We're very proud of the accomplishments of our Medical Staff and employees. We hope you will find our website informative and visit us to see first-hand the many unique aspects of our family medicine program.

Sincerely,

Gary B. Weinstein
