We hope the following information will help you with the adjustment, as you leave another practice to join us and we hope that being familiar with our policies makes you feel comfortable from the first day we meet.

**OFFICE HOURS:**

**Phone lines** will be open Monday-Friday 8am-4pm. Our office phone number is (724) 229-7570.

**EMERGENCIES:**

We offer emergency coverage when the office is closed. Please limit after hours calls to true medical emergencies. ***If you have an emergency situation after office hours, please dial (724) 506-1127***, to speak with an answering service receptionist to page the doctor on-call.

**CANCELLATIONS:**

It is the policy of this office to require a **minimum of 24 hours advance notice** when you are canceling an appointment. Please be courteous and cancel any appointment you will not be keeping so we may schedule other patients seeking medical care.

**REFERRALS & AUTHORIZATIONS:**

In order to most efficiently and accurately process your managed care paperwork, please follow our managed care request policies. For **routine referrals we require a minimum of 3 business days advance notice** to specialists and for **Prior Authorizations we require 7 business days advanced notice**. These time frames are crucial for the PCP to review all of the necessary documentation before determining the outcome of your request. You are responsible for requesting a referral/authorization and obtaining the necessary paperwork prior to an appointment with a specialist. We may not be able to fax a copy of your information to the specialist's office the same day you have a scheduled appointment, so please give us the necessary advanced notice.

**PRESCRIPTION REFILLS:**

Requests for prescription refills should be made during regular phone hours. Please call us or your pharmacy **before** you are completely out of pills. All requests made before noon will be called on that same day and any requests made after 1:00pm will be called on that same day or the following morning, depending on phone volume.

**TEST RESULTS:**

When calling for test results, please have the name and location of the testing facility as well as the date the testing was performed. We call back all abnormal radiology results and abnormal laboratory results ordered by our doctors. Tests ordered by a specialist should be called back to you by that office.

**Abnormal results** are called back as soon as the doctor has reviewed the result and signed off. If you are experiencing related problems after a test is performed, please contact the office.

**Patient Portal and Healow App:** All labs and diagnostic imaging results for testing done at Washington Health System will be published to your patient portal. It's secure and the fastest way to receive results. The Healow App is a free app that allows you to view your portal information on your smartphone or tablet. Ask about signing up today.

**FORMS & MEDICAL RECORDS:**

Requests for the **completion of forms** may require that a physical examination be scheduled, so please don't wait until the last minute to inquire what will be necessary. A \$10 fee is due at the time the form is dropped off at the office. **Medical record copies** are released upon written request. All original records are legally required to be maintained for seven years by the treating physician. Records older than this may not be available. Copying fees may apply, please ask a staff member.

**PAYMENT, FEES, & BILLING:**

Payments of charges and/or co-payments are due at the time of your visit. Arrangements may be made with the office manager for a payment plan. We accept cash, personal checks, VISA, and MasterCard, and Discover.

Our fees are reasonable and customary for the services provided. All billing is handled through the WPG Central Billing Office. For billing questions, please contact our billing department at (724) 250-4595.

Thank you for your cooperation as we endeavor to create the best Practice to better meet your healthcare needs. If you have any questions or concerns, please speak with the office coordinator, Andy, at any time.
