

NOT READY to be a mom?

We can help you!

Bring your newborn (up to 28 days old) to any Pennsylvania hospital, to a police officer at a police station, or an emergency services provider at an EMS station. We'll find your baby a loving home.

A pregnant woman is lying in bed, covered with a white blanket. She is using a silver laptop and holding a smartphone. The laptop screen displays the phone number and website. The smartphone screen shows the same information in a dialer app.
